## **RESEARCH EXPERIENCE**

**2022-present** **Department of Psychology, University of Denver, Denver, CO**  
*Graduate Student*  
Mentor: Paige Lloyd, Ph.D.

The Lloyd Social Detection Lab studies how and why we perceive others in certain ways, with a particular focus on the consequences of these perceptions for the wellbeing of disadvantaged populations. As a graduate student in this lab, I conduct experimental research grounded in social psychology methodologies and theories to better understand the nature and consequences of discrimination against sexual minorities and people who have experienced sexual assault.

**2021-present** **en2uition, Bentonville, AR**  
*Independent Consultant*

Provide consultation and content, based in research knowledge and clinical experiences, for app in development that focuses on romantic relationships.

**2017-present** **Department of Psychology, University of Denver, Denver, CO**  
*Graduate Research Assistant*

Mentors: Galena Rhoades, Ph.D., Scott Stanley, Ph.D., and Howard Markman, Ph.D.

The Family Research Center has been researching marital distress and divorce, relationship education and related interventions, and relationship development dynamics since 1980. With Dr. Rhoades as my primary advisor, I am currently involved in data collection and analysis for several program evaluations, including Administration for Children and Families-funded studies of relationship education programs.

*Research responsibilities:* Assent students and collect surveys for RCT of relationship education program in Denver-area high schools. Contact friends and relatives of study participants to increase response rate. Assist and lead in manuscript and poster preparation. Manage data entry and cleaning.

*Administrative responsibilities:* Liaise with school administrators, program facilitators, and academic colleagues to facilitate survey administration. Supervise and mentor undergraduate interns.

**2016-present** **Department of Psychiatry, Rhode Island Hospital, Providence, RI**  
*Clinical Research Assistant; Independent Research Consultant*  
Supervisor: Lindsay M. Orchowski, Ph.D.

Dr. Orchowski's research team implements and evaluates CDC-funded, multi-faceted, evidence-based sexual assault prevention programs with diverse student populations. They also investigate the association between crime rates and social norms through epidemiological research.

*Research responsibilities:* Conducted empirically-validated four-session sexual assault prevention program in 10<sup>th</sup> grade classrooms; consented, assented and surveyed students and educators; conducted informant interviews; led informational meetings for school faculty.

*Data responsibilities:* Collected and geocoded crime data; coded qualitative interviews; entered and analyzed survey data in SPSS.

*Administrative responsibilities:* Liaised with school administrators, community agencies, public servants and academic colleagues; assisted and led in manuscript, abstract, poster and grant preparation. Supervised student interns.

**2014-2016**      **Laboratory for Brain Genomics, Division of Psychiatric Neuroimaging, Massachusetts General Hospital, Charlestown, MA**

*Clinical Research Coordinator*

Supervisor: Joshua L. Roffman, M.D.

The Roffman Lab studies the relationships among folic acid exposure in utero, folate-related genes, nutritional folate intake, and brain structure and function through activation during working memory in both healthy individuals and patients with schizophrenia.

*Clinical research responsibilities:* Recruited and scheduled subjects for study visits; ran study procedures, including consenting participants and administering the Structured Clinical Interview for DSM Disorders (SCID) on adults. Collected and processed blood samples as phlebotomist. Conducted fMRI scans.

*Data responsibilities:* Processed radiology reports to identify usable brain scans; performed quality control for scans and preprocessed them using FreeSurfer. Responsible for tracking of blood sample data.

*Administrative responsibilities:* Maintained databases; performed literature reviews; managed IRB protocol reviews and amendments; processed study payments.

**2014-2016**      **Nock Lab, Department of Psychology, Harvard University, Cambridge, MA**

*Volunteer Research Assistant*

The Nock lab performs multidisciplinary research on self-harm and suicide.

Supervisor: Heather Pixley, M.B.A.

*Responsibilities:* Collaborated in developing coding manual, rubric and data collection for problem-solving skills assessment; trained fellow RA in coding; coded narratives for study of cognition and suicidality in veterans; assisted with suicidality literature review using Qualtrics.

**2013-2014**      **Community College of Philadelphia, Dept. of Psychology, Philadelphia, PA**

*Student Research Assistant*

Students collaborate on community survey research as part of research methods course.

Supervisor: Richard Frei, Ph.D.

*Responsibilities:* Helped develop and distribute survey on sexting habits given to 700+ Philadelphians; performed preliminary analyses of survey data in SPSS; presented literature reviews on sexting and street culture ethnography to school community.

## **CLINICAL EXPERIENCE**

---

**2021 – 2022**      **University of Denver, Caring for You and Baby Clinic**

*Clinical Trainee*

**Supervisors:** John Holmberg, PsyD

- ❖ Delivered couple therapy to couples presenting with relationship distress and concerns related to parenting a newborn baby

- ❖ Provided individual therapy for new fathers
- ❖ Provided family therapy for children with behavioral issues
- ❖ Provided empirically supported interventions, including elements of Cognitive-Behavioral Couples Therapy, Integrative Behavioral Couples Therapy, and Parent-Child Interaction Therapy

**2019 – 2021 University of Denver, Comprehensive Assessment Clinic  
*Psychological Assessment Trainee***

Supervisors: Jill Holm-Denoma, PhD & Michelle Rozenman, PhD

- ❖ Conducted comprehensive psychological assessments for adults, adolescents, and children, including intake interviewing, battery design and implementation, measure scoring, report writing, and feedback sessions

**2018 – 2021 University of Denver, Couples Intervention Clinic  
*Clinical Trainee in Couples-Based Therapeutic Interventions***

Supervisors: Howard Markman, PhD

- ❖ Treat couples presenting with relationship distress, communication deficits, low emotional intimacy, low sexual intimacy, and concerns surrounding commitment
- ❖ Provide empirically-supported interventions, including elements of Cognitive-Behavioral Couples Therapy, Integrative Behavioral Couples Therapy, and Emotionally Focused Couples Therapy
- ❖ Conduct relationship education workshops for distressed and non-distressed couples using adaptations of the Prevention and Relationship Education Program

**2018 – 2022 University of Denver, Clinic for Child and Family Psychology  
*Clinical Trainee in Individual Therapeutic Interventions***

Supervisors: Eddie Mockus, PhD; Angela Narayan, PhD; Erika Manczak, PhD; Lauren McGrath, PhD; Anne DePrince, PhD; Michelle Rozenman, PhD; Sarah Perzow, PhD

- ❖ Treated adult, adolescent, and child clients presenting with major depressive disorder, generalized anxiety disorder, social anxiety disorder, attention-deficit hyperactivity disorder, bipolar disorder, and oppositional defiant disorder
- ❖ Provided empirically-supported interventions, including elements of Cognitive-Behavioral Therapy, Motivational Interviewing, Parent Management Training, Functional Family Therapy, Dialectical Behavioral Therapy, and acceptance-based interventions
- ❖ Conducted evidence-based risk assessment and reporting

**2018 – 2019 Mental Health Partners, Moving to End Sexual Assault  
*Volunteer Violence Prevention Educator***

Supervisor: Sarah Dobson, MA

- ❖ Deliver sexual violence prevention curricula to adolescents and adults in educational and community settings
- ❖ Design curricula in collaboration with supervisor and other volunteers
- ❖ Conduct evidence-based risk assessment and reporting

**2018 – 2019 University of Denver, Developmental Neuropsychology Clinic  
*Neuropsychological Assessment Trainee***

Supervisors: Laura Santerre-Lemmon, PhD, & Bruce Pennington, PhD

- ❖ Conducted comprehensive neuropsychological assessments for adolescents and children, including battery design, measure scoring, and report writing
- ❖ Conducted evidence-based assessment and reporting of suicide risk and child abuse/neglect

**2016 – 2017 Rhode Island Hospital & Alpert Medical School of Brown University  
*Sexual Assault Prevention Program Facilitator***

Supervisor: Lindsay Orchowski, PhD

- ❖ Delivered empirically-based sexual violence prevention program (i.e. Your Voice, Your View) to 10<sup>th</sup> grade students in the context of a randomized controlled trial of the program.
- ❖ Participated in facilitator training and ongoing professional development
- ❖ Handled student disclosures sensitively and effectively

**TEACHING EXPERIENCE**

**2022 Front Range Community College, Department of Psychology**

*Part-Time Lecturer*

- ❖ General Psychology – Semester I (Spring 2022)

**2020-2021 Regis University, Department of Psychology and Neuroscience**

*Affiliate Faculty*

- ❖ Research Methods and Behavioral Statistics Lab II (Fall 2020, Spring 2021)
- ❖ Research Methods and Behavioral Statistics I (Spring 2021)

**GRANTS AND AWARDS**

**2017-2018** University of Denver Graduate Studies Doctoral Fellowship (\$4500)

**2018-2019** University of Denver Inclusive Excellence Fellowship (\$4500)

**2019** Family Process Institute New Writers Fellowship (workshop tuition plus \$300 travel stipend)

**2019** National Science Foundation – Graduate Research Fellowship Program (Honorable Mention)

**2020** University of Denver College of Arts, Humanities, and Social Sciences Student Research Award (\$1250)
